**2014**  
**Special Notice to Exhibitors and Buyers**

- Despite recent incidents in Hong Kong, Hong Kong continues to be a safe city with inbound and outbound flights operating normally.
- Within Hong Kong, the Wan Chai area is not affected and the Hong Kong Convention and Exhibition Centre (HKCEC) is also operating normally.
- The HKTDC Hong Kong International Lighting Fair (Autumn Edition) (27-30 Oct 2014) will continue as planned in Hong Kong Convention and Exhibition Centre (HKCEC), Wan Chai.
- To minimise any inconvenience that may arise from traffic disruption in certain areas, we are working with relevant parties and authorities on measures. **Fair attendees should allow extra time for commuting and are highly encouraged to travel to HKCEC by MTR and Star Ferry to avoid possible road traffic congestion.**
- The free shuttle bus service between the HKCEC and major areas of the city will be enhanced as well. Please click this [link](#) to check the free shuttle bus schedule.
